Subject: 204 Parents Signatures for 8th May- Dignity for Hinduism in CA Framework and Textbooks

Dear Kenneth.

Thank you for your time on phone yesterday and helping with useful details of 8th May hearing.

Around 300 parents in East Bay and South Bay Area have signed the application asking the Dignity For Hinduism in California Standards, Framework and 6th and 7th grade California History-Social Science textbooks.

I am attaching a sample letter and the details of 204 individuals who have signed the letters. Parents have signed 1 page 1 signature. However in order to take the message to the respectable committee members before 8th May, we have consolidated the signature details in one excel sheet. I will be sending all paper copies for records separately.

On behalf of these hundreds of parents, may I request you to please take soft copies of letter and signatures - 1 for each members and please share with each of them ahead of 8th May hearing.

Thank you again Ken, on behalf of hundreds of Hindu parents.
Looking forward to meet in person on 8th May.

Thanks
Sandeep Dedge
Hindu Education Foundation.
